From Your EO

If you missed the meeting, you missed a great lunch of grilled burgers and hotdogs cooked by the guys from Atmos Energy. Thanks Atmos for your support and great food.

I know many of you will be traveling the week of July 4th. I hope you have a safe and fun trip wherever you go. It is always good to get away and relax.

I want to get your feedback on a fall golf tournament. If you are interested in playing or sponsoring a hole, please let me know. Our membership is down quite a bit and we really do need to have a fundraiser. As you know, we use the money for the scholarships each year and because we didn't have a golf tournament last year or a parade of homes this year we need to come up with something good for fall. You have been very generous in the past in supporting these events which has allowed us to donate \$50,000 in college scholarships to deserving students of our members and a lot of other donations such as Angel Tree, Blount Co. Boys Home, Shriners Circus, Habitat for Humanity and Shop with a Cop just to name a few. I really need your ideas before the July board meeting.

Builders, just a reminder that we will be offering the BAR Exam on September 17th. From 1:30 PM-5:00 PM. I have registration forms here and the fee is \$195.00. The class is open to non members also.

Continue to remember Malcolm. He has been moved to Wellington Place of Maryville.

Hope to see you on July 9th.

Frances
